## *Welcome to The Clare Hall Palliative Care Wing*

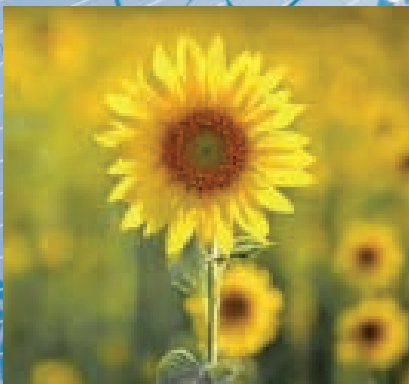

### *Our Mission*

In the Franciscan spirit of valuing the gift of life in all its transitions, our Mission is to provide an environment of Compassion, Competence, and the Celebration of Life to all entrusted to this community of care.

# Compassionate Care

## The Comfort & Conveniences of Home

The Clare Hall Palliative Care Wing has been designed to provide the support and comfort you and your family need during your stay.

Tastefully designed rooms are equipped so your family can spend the night with you. Other family amenities include a kitchenette, dining space, sitting area with a fireplace, shower facilities, and a washer and dryer.

## Pastoral Care

Pastoral care services are available as a spiritual resource and support to you and your family. Pastoral care team members will visit during your stay and can be contacted when needed.

Mass is offered weekdays and Saturdays in Assisi Hall Chapel, and Sundays in the Clare Hall Chapel.

## Professional Service

Your team of caregivers is coordinated by a physician and registered nurses to best address all your needs and any concerns of your family members.

We have close patient to staff ratios. Our specially trained staff of RNs, LPNs, and STNAs are ready to meet your loved one's nursing and spiritual care needs.

The main goal of your entire team of caregivers is to make sure you are cared for lovingly so that your quality of life is maintained at all times.
