

# Check Mate

Their last move was the *right* move.

When Bill and Joan needed a more supportive environment to meet their medical, rehabilitative, life enrichment, and spiritual care needs, they turned to Marymount Place and its full continuum of care. As a Catholic-based assisted living community just minutes from Cleveland, Marymount Place also provides the couple with the financial support they need to continue the same high quality of life they have grown accustomed to living.

## **Marymount Place accepts:**

- Long-term care insurance
- Veterans Aid and Assistance benefits
- Some Medicaid waiver assisted living suites available

Our door is always open to you so that you can continue living the quality of life you've come to enjoy.
